Director Message

Delwis Healthcare Pvt.Ltd., Started in 2011. The company's philosophy has been rooted in Quality and care and it is this ideology that has kept us alive through ups and downs. The company's greatest asset has always been its employees and it is in them we place our trust to shoulder the company's corporate responsibility and to uphold the company's ideals and values. A healthy blend of World-Class Quality, Disease prevalence-dependent, wide variety of products, stress on preventive Lifestyle products, a positive upbeat mood of one & all in the company and a feeling of oneness, is the recipe that Delwis Healthcare presents humbly to humanity. The "For the people, By the People" dictum is followed by the management in the company, thus making it surge forward with the force of the common goal to accomplish our Mission. We aim to serve mankind globally through our affordable and international standard quality products, encompassing the environmental synergy in the process.

**Mr. Vinit Agrawal
Founder & Director
Delwis Healthcare Pvt.Ltd.**

Mission

Our Mission is to provide a comprehensive product offer comprising of several products with technology-based differentiation. Our intent is to use technology to make products that offer the patient a better quality of life.

Delwis aims at providing its quality products reachable to the needy through its network of distribution partners.

Vision

To be one of the world's leading and most admired Pharmaceutical & Nutraceuticals companies. To preserve earth's most precious resource... human lives.
